		46%	Ottawa County-Grand Haven, Holland		
		NA	Presque Isle County-Rogers		

NOTES:

First city/town listed is the county seat. Second location listed is to provide a reference to help the user locate the county.

Save Rates are determined by the Shelter Reports which are annually submitted by each shelter to the *Michigan Department of Agriculture and Rural Development*. In counties where more than one shelter exists, all shelter report statistics were combined to determine a county save rate.

Michigan Humane Society was requested to provide their statistics by shelter (Detroit, Auburn Hills and Westland) but refused and submitted a combined report. The MHS has reported that 60% of their intake is from Detroit. To determine the Wayne and Oakland County Save Rates with MHS, 20% of MHS totals were applied to outer Wayne and Oakland County.

ⁱ Sheltering is provided by Cherryland Humane Society

ⁱⁱ Figures from Michigan Humane Society and Michigan Anti-Cruelty. No report was submitted by Detroit Animal Control and Care.
